OUR COMPANY

Founded in October 2002, **Fun For Life Club International** is an exciting innovative new concept, which is revolutionizing the vacation industry. We offer quality vacations throughout the world at exclusive Club Prices of up to 70% off.

We use the power of our memberships to secure vacations at tremendous values at vacation properties, which the ordinary traveler may not otherwise have access to. Most of these properties are not available through your typical tour operator or travel agent.

We strive to ensure that we offer quality properties throughout the world. The luxury accommodations we secure on behalf of our members include:

- 1-bedroom condominiums (sleeps up to 4)
- 2-bedroom condominiums (sleeps 6)
- 3-bedroom condominiums (sleeps 8)

Our prices are by the unit, not by occupancy - providing you with a significantly greater value.

We utilize leading Internet technology in the presentation, marketing and management of **Fun For Life Club International**. Your destinations may be viewed online, then selected and reserved through our own website from anywhere in the world.

BENEFITS OF OUR PROGRAM

For only \$99 USD, you can offer your customer or employee a **club membership** and one FunWeek certificate, which will provide access for a full week at any of our **luxury resorts** in our resort database.
